HISTORY

Federico Beauty Institute is a third-generation, family-owned and operated learning facility dedicated to providing a progressive, quality education to those interested in a successful career in the beauty industry.

When the first generation of Federico beauty colleges were established in 1946 by James Federico and his brother Sam, the visionary pair sought to open beauty colleges throughout the Central Valley. With school locations that spanned from Fresno to Sacramento, the two brothers successfully built the Federico brand together. Sadly, Sam passed away and the schools were divided between James, who took the northern locations, and Sam's wife, who took the southern locations.

Concentrating on the Sacramento region, James focused on developing an educational institution for beauty based on his philosophy: "a license doesn't earn a living, but an education does."

As the second generation, Gary Federico, who retired as President in 2009, embraced the Federico mantra of loving to learn and learning to love both in family and in business. It is this family culture that cultivates creativity, celebrates camaraderie and thrives on hard work.

The success of Federico Beauty Institute continues to build with the third generation. Each of the third generation Federico brothers instinctively and uniquely contributes to the educational atmosphere. Jeremy is now the President. Adam Federico, our Creative Director, travels the United States as the R & Co Artistic Director. Joseph is the school's CFO. Since 1946, the Federico family has been committed graduating well-trained beauty professionals.

STRATEGIC PURPOSE

Federico Beauty Institute is a beacon of light that empowers our students and staff to develop personally and professionally. Our reputation is staked upon years of delivering on our promises and maintaining high ethical standards while staying relevant and vital.

MISSION STATEMENT

Federico Beauty Institute offers students a quality, modern, market driven education, that not only prepares graduates for state licensure or certification, but instills the technical skills and professionalism that is needed to progress in today's beauty industry.

Our facility is over 41,000 square feet and includes contemporary fully equipped classrooms, a separate student spa, student salon, student barber shop, café, and separate retail area.

Sixteen classrooms are set up to comfortably accommodate both lecture and hands on learning and feature computer controlled audio visual equipment. Computers are located in each theoretical classroom and throughout the school. The student spa clinic area includes a disinfection station, six fully equipped treatment rooms, a spray tan room, a community treatment room, a wet room (including two Vichy showers, a spa capsule unit and a HydroMassage bed), and men's and women's shower facilities with guest lockers. The salon clinic area includes two disinfection stations, thirty-two individual styling stations, six conventional shampoo bowls, two European shampoo units, four manicure stations, six mobile manicure stations, six hood dryers, and four hair processing accelerators. The S.T.A.R. salon clinic has twelve styling stations, and three European shampoo units. Our student barber clinic includes five stations each with its own shampoo bowl. Two staffed dispensary areas store and dispense products to students. Free WIFI is available throughout the campus. Security cameras are mounted outside and inside the building for the safety and integrity of all students, staff and guests. A separate parking lot is available for student parking.

Federico Beauty Institute has pledged to reduce our impact on the environment by committing to conserving energy and water, reducing waste and pollution, recycling and purchasing recycled products, and implementing

“Sexual harassment” is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature may constitute sexual harassment when: submission to such conduct is made either explicitly or implicitly as a term or condition of an evaluation of a student’s academic performance, term or condition of participation in student activities or in other events or activities sanctioned by The School; submission to or rejection of such conduct by an individual is used as the basis for academic decisions or other decisions about participation in student activities or other events or activities sanctioned by [the School]; or such conduct otherwise has the purpose or effect of threatening an individual’s academic performance; or creating an intimidating, hostile or offensive educational environment.

Forms of sexual harassment include, but are not limited to, sexist remarks or behavior, constant offensive joking, sexual looks or advances, repeated requests for dates, unwelcome touching, promise of reward for sexual favors. Students, faculty or staff who experience sexual harassment should be encouraged to make it clear to the alleged offender that such behavior is offensive. However, failure to comply with this provision does not defeat the Institute’s obligation to investigate the incident and take appropriate steps if sexual harassment has occurred.

Sexual violence includes, among other conduct, domestic violence, dating violence, sexual assault, and stalking. These acts will not be tolerated at Federico Beauty Institute as such acts are inappropriate and create an environment contrary to the goals and mission of Federico Beauty Institute. MULTIPLE SCHOOL ATTENDANCE

Applicants who have previously attended 3 or more post-secondary institutions without achieving graduation may be required to have an interview with the Director of Financial Aid. This interview will be used to determine if the student is enrolling purely for academic intent and is likely to achieve academic success at this institution. Should a prospective student disagree with the Financial Aid Director's decision, they should follow the appeal procedure.

DISTANCE EDUCATION

The management, control, and delivery of distance education is maintained by the institution. Instructors (including substitutes) who teach via distance education will be provided training on teaching modalities and technological resources utilized in the Distance Education environment. Additionally, the institution provides students with access to the online learning tools. Instructors of the institution oversee the delivery of the distance education instruction. The hours permitted to be earned via distance education are controlled by the institution, and reserved only for theory hour education.

All distance education is measured by regular clock hour participation of each student. The distance education platforms used include Zoom, Email, LAB. Student participation is documented in a multitude of ways, to include video required during Zoom classes, LAB activity tracker & email correspondence. The documentation includes logs of student activity comprised of a record of regular and substantive interaction between students and instructors. Each educator has a daily tracker that includes Zoom check ins, LAB assignments/activity, and completion of assignments. Clock hours are awarded only for verified time.

After completion of every 10% of the Distance Education clock hours, the institution will evaluate the student's qualitative academic performance at the institution by a qualified instructor. Performance evaluations are provided in person within 10 days of the completion of each 10%. Upon completion of all curriculum requirements, the student must pass a comprehensive Academic and Practical final exam prior to graduation from the program. All transcripts or other documents outlining a student's academic attainment received will identify the distance education component.

Applicants into any hybrid program are provided with the following disclosures:

- A disclaimer that the academic achievement earned via distance education may not be accepted for reciprocity or eligible for licensure in other states.
- Written information that clearly describes the distance education technologies (hardware and software) that will be required to successfully complete the course.

Applicants must sign and date these disclosures, and a copy of the acknowledgements must be retained in the student's file. This is completed during the enrollment process.

To ensure quality and effective delivery of Distance Education, the DE modality of instruction will be reviewed through a variety of methods, to include:

- ✓ Assessments of student competence during the delivery of DE curriculum, as well as upon completion of DE curriculum
- ✓ Student surveys
- ✓ Instructor self-assessments
- ✓ Comparative analysis of student academic performance through components of program curriculum delivered via distance education as opposed to on-campus.

STUDENT HOUSING

Federico Beauty Institute does not have dormitory facilities under its control. Housing assistance is not provided by Federico Beauty Institute. The median gross rent in the city of Sacramento is \$1549.00 (source <http://www.city-data.com/housing/houses-Sacramento-California.html>). Natomas Crossing, located reasonably near The School, averages between \$1,800.00 and \$2,500.00 (source https://www.walkscore.com/CA/Sacramento/Natomas_Crossing).

JOB PLACEMENT

Job placement assistance is provided to graduates and students at no additional charge. The school gives no guarantee of employment nor does the school use placement data as an incentive to entice prospective students to enroll. However, our primary goal is to provide specialized training which will prepare our graduates for employment upon licensing from the Board of Barbering and Cosmetology. The staff works with salon owners and employers to provide students with an opportunity to become gainfully employed upon completion and licensing. Students are encouraged to discuss their employment needs with Student Services or their educator. Resume development and interview preparation is available through the Alumni Services Coordinator.

ATTENDANCE POLICY

An attendance rate of 75% must be maintained at all times by students enrolled in clock hour programs. Should a life circumstance cause you to be absent, it is mandatory that you contact the registrar. If a clock hour student does not maintain 75% attendance, corrective action will be taken. Correction will be expected immediately and must be maintained. Federico Beauty Institute has no excused or unexcused absences.

EXTENDED ABSENCE (NON LOA)

A student not on an approved Leave of Absence must make contact with the school within 14 calendar days of last date of attendance. If contact is not made within 14 days, the student will be withdrawn. If contact is made within 14 days, the student may be absent up to 21 consecutive calendar days. Regardless of the average level of attendance, students who have three consecutive weeks of absences, (21 calendar days) will be dismissed.

APPLIED EFFORT

After clocking in, you are required to maintain applied effort. Applied effort means you are to be engaged in assigned practice activities, self-study activities (authorized by your instructor), or in a class. In all cases, your activities while on the time clock must be related to training for your course of study.

RETENTION OF STUDENT RECORDS

Education records are defined as files, materials, and documents that contain information directly related to the student and are maintained by the institution. Adult students and parents of minor students* have the right to inspect, review, and challenge information contained in their education records. However, a staff member must be present during the process.

Students are not entitled to inspect the financial records of their parents. Written consent is required before education records may be disclosed to third parties with the exception of accrediting commissions or governmental agencies so authorized by law. See FERPA Act.

*Emancipated minors not included

The School maintains student records in accordance with California Private Post-Secondary Education Act of 2009 (California Education Code, Title 3, Division 10, Part 59, Chapter 8). Federico Beauty Institute maintains:

- (a) Records of the name, address, e-mail address, and telephone number of each student who is enrolled in an educational program in that institution.
- (b) For each student granted a certificate, permanent records of all of the following:
 - (1) The degree or certificate granted and the date on which that degree or certificate was granted.
 - (2) The courses and units on which the certificate or degree was based.
 - (3) The grades earned by the student in each of those courses

All student files are maintained in the school's for six (6) years from completion or withdrawal. After that time, transcripts are scanned and permanently stored digitally on premises.

TESTING POLICY

At the end of each class or phase of the curriculum a final exam will be given. Each examination will consist of a written and a technical exam. The student must pass both the written and technical examinations with a score of 75% or higher to complete the class or phase. The time of the written and technical examination will be scheduled by the primary

classroom instructor. If a student fails or misses either the written or technical exam, they will be given one academic week to schedule a make-up test. If the student passes the make-up exam they will be considered as completing the class or phase. If the student fails or does not take a make-up test within the given timeframe, they will be considered as failing the class or phase and their enrollment will be immediately terminated. If a student wishes for additional assistance in preparing for their make-up examination, he/she will need to coordinate with the Director of Education. Any additional assistance will be given outside of the student's scheduled school hours.

If a student has been out of school on a documented Leave of Absence during a class, it will be classified as incomplete, and the student will be scheduled to re-take the class as it fits into their curriculum.

State Board Prep Class

Students will be scheduled for a State Board Prep class during their course of study. A Mock State Board Exam will be given at the end of this prep class. To qualify for the written state board prep exam, students are required to pass a series of preliminary exams with a passing score of 85% or higher.

Mobile phones, electronic dictionaries, or translators may not be used during any written test except for the device they are using to take the exam. Devices must be placed on the tabletop and no privacy screen may be used. Any form of traditional (paper) language assistance must be submitted to the instructor for approval prior to use during a written test. Use of a banned device during a test is considered cheating (See Student Development System).

PHYSICAL REQUIREMENTS OF THE INDUSTRY

Generally, professionals in the beauty field must be in good physical health because they will be working in direct contact with the public. In most aspects of the beauty culture, there is a great deal of standing, walking, pushing, bending and stretching, sometimes for long periods of time. A person must consider their physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

If a student, while enrolled, sustains an injury deemed by the school to impair his/her ability to fulfill all educational requirements (practical and theoretical) he/she may be required to take a Leave of Absence until given a full medical release by their physician.

TARDINESS

Tardiness is not accepted at Federico Beauty Institute. Students are expected to be *clocked in and present* in their assigned classroom at the designated start time. **Full-time students cannot clock in after 9:30:00 AM (T-F) and PM students cannot clock in after 5:30:00 PM (T-F). All students scheduled on Saturday must clock in by 8:30:00 AM.**

In most legitimate cases (doctor's appointment, court appearance, etc.), a student should know at least the day before, if they will need to miss part of a school day. In such a case, the student must notify the registrar in advance (not day of). **Written documentation (police ticket/report, medical receipt, automotive repair receipt, or scheduled school/other official appointment with time and date on school/company letterhead) must be presented to the registrar before a student is allowed to clock in past their scheduled start time.** *One non-verified tardy is permitted per 10 weeks of students' scheduled time.*

Management reserves the right to allow students to clock in late on the rare occurrence that something prohibits the majority of students from clocking in on time.

CALLING IN TO REGISTRAR

If you are going to be absent or tardy to school it is your responsibility to call in to the registrar's office (x209) before your scheduled start time. A student will only be clocked in tardy in accordance with Federico's Tardiness policy (see above). Students who do not call in may be subject to the disciplinary process.

EARLY DISMISSAL

All personal/business appointments should be handled on your day off. Should you find it necessary to leave school early, you must fill out the Early Dismissal form and follow the proper sign out procedure. Early dismissals must be turned into the registrar. In the case of illness or emergency, and you unexpectedly need to leave in the middle of the school day; you must have your early dismissal signed off by an educator, and if scheduled for the clinic floor, the front desk must also sign. Early dismissals **must be** filled out if you are leaving more than 10 minutes before your scheduled end time (5:20 or 4:20 PM for full-time students, 8:20PM for part-time students, and 4:50PM on Saturday). Students are allowed a maximum number of early dismissals and absences allowed per module (See Attendance Policy).

BEREAVEMENT

Federico Beauty Institute recognizes the need for bereavement leave when a loved one passes. Students will be given up to two school days of leave if bereavement leave is approved. Upon returning to school, the student is asked to

notify the Registrar that he/she was on bereavement leave, and must furnish proper documentation (death certificate, funeral notice, or obituary) to substantiate his/her claim. Bereavement leave is given only in the death of an immediate family member or custodial guardian. Immediate family is defined as: Parents, Spouse's Parents, Children, Grandparents, Spouse's grandparents. The time granted will only be given for overtime charges, the time missed will still affect SAP. If an extended absence is required please refer to leave of absence policy.

COURSE KEY PROGRESS TRACKING

Progress tracking is an important factor in your success at Federico Beauty Institute. Course Key is an app the school uses to make this process as easy as possible for students. Course Key enables students to clock in, out, and submit operations through the app via their mobile devices. It is the students' responsibility to make sure that they are getting the correct hours and operations submitted through the app, so the proper information is entered into the tracking system. All students are able to see their progress live on the app 24/7. An instructor must approve each operation on the app or the operations will not be recorded. If a student forgets to clock in or out and notifies their educator the same day, the time can be corrected. If a student does not notify an educator until the following day or later, correction cannot be made, and the student will lose those hours. However, these hours can be made up at a later date after completing core classes. In order to complete the course of study, the student must complete the minimum hours and operations as prescribed by the Board of Barbering and Cosmetology. The student must be aware at all times of hours and operations needed for completion.

TIME CLOCK PROCEDURES

Philosophy

The course you are enrolled in is considered a clock hour program. This means that credit is applied towards completing your program through the accumulation of clock hours. Federico Beauty Institute's electronic time clocks are the only instruments that we use to determine the number of hours you have completed on a per day basis. To keep an accurate account of your time, you must abide by the following procedure or you will lose clock hours.

Clocking In/Out Procedures

Clocking In

You must clock in upon arrival to school. You may clock in up to 30 minutes before your scheduled clock-in time.

Example: If you are scheduled to begin at 9:30AM and you clock in at any time between 9:00AM and 9:30AM, your clock-in time will read 9:30AM.

Clocking Out

You must clock out when leaving school for the day. You may clock out up to 30 minutes after your scheduled clock-out time. *Example: If your schedule ends at 5:30PM you may clock out at any time between 5:30PM and 6:00PM, and your clock-out time will read 5:30PM*

If you wish to leave earlier than your scheduled clock-out time, you must follow the proper early dismissal procedure. This entails completing an Early Dismissal Request form and getting signed approval from your instructor and the Registrar.

Breaks/Lunch

You must be clocked out whenever you are taking a break. You are allowed two 15-minute breaks per day, and are required to take a 30-minute lunch if you are clocked in for more than 5.5 hours.

15-minute Break

There is no minimum required time for this break type.

The maximum time is 15 minutes. A two minute allowance is made to allow for clocking back in from break. *Example: A student who clocks out on break for up to 17 minutes (15 minute break + 2 minute allowance) will have no time deducted. A student who is on break for 30 minutes will have $30-17=13$ minutes deducted.*

30-minute Lunch*

The minimum required time for lunch is 21 minutes. Any lunch taken under one half hour will be automatically rounded to 30 minutes. Any time over 30 minutes will be recorded as your actual lunch taken. *Examples: A 20 minute actual lunch time will be recorded as 30 minutes; a 33 minute actual lunch time will be recorded as 33 minutes; a 38 minute actual lunch time will be recorded as 38 minutes.*

If you have any questions/concerns regarding your clock in/out status, please see the registrar immediately.

* Lunch: Lunches are thirty minutes. This includes getting your food and eating it. This does not mean thirty minutes to get your food, then clocking in and sitting down to eat. If you are in class, your instructor determines lunchtime. You *must* take a lunch. If you are on the clinic floor and have not had a chance to take a lunch by 2pm because of client bookings, notify your instructor. Your instructor will arrange a lunch break for you.

One hour will be deducted from your time if do not take a lunch for the day.

Additional Instructions/Guidelines for Clocking in and out

- Credit will be given for APPLIED EFFORT only.
- **Should you forget to or unsuccessfully clock in or out, you will lose time credit.**
- Up to one hour over your scheduled hours for the day can be earned if you are working late on a paying client. Student must complete (with instructor signature) "Extra hours request form" located at reception desk.
- In order to receive extern hours, a completed Evaluation Form from the participating salon must be filled out completely and signed by salon owner or salon manager. This paperwork must be turned in to extern coordinator within two school days of externship assignment. Failure to turn in Evaluation Form will result in no credit awarded for that day.

SCHEDULE CHANGE

A student can request a schedule change to increase the base hours of their program, switch from a full time to part time schedule or vice versa. *A student **cannot** request a schedule change to reduce the base of either the full time or part time schedule (Ex: A full time student cannot change their schedule to leave at 5pm instead of 5:30pm).* Schedule changes may be made due to the following conditions:

- A. Conflict with schedule due to work, child care/related problems.
 - B. Health reasons (includes pregnancy)
 - C. Moving out of area
 - D. To meet State Board date (administration will determine effective date of schedule change)
 - E. AM Cosmetology and Barber students may add Saturdays upon completion of all classes
 - F. PM students may increase their schedule by regular weekly externship at a salon. The student must provide documentation from the salon to validate the schedule change prior to approval. Externship does not excuse the student from missing any required classes including state board.
- A student may initiate the schedule change process by completing a Contract Schedule Change Form (SA001)
 - There is a waiting period when submitting a schedule change request.
 - One schedule change allowed per enrollment.
 - If additional schedule change is needed, student to be charged \$40.00 per schedule change.

FAILURE TO COMPLETE COURSE AT SPECIFIED TIME

Should a student fail to complete the minimum number of hours and/or operations within the specified contract timeframe, all training may be stopped until the additional monies for training have been received.

CONTRACTED COURSE LENGTH/ DISRUPTION OF EDUCATION

All educational courses are designed to be completed within the students' original contracted course length. Should a student fail to complete their required curriculum due to excessive absences, or Leave of Absence, the students' remaining training may consist of assigned practice activities, self-study activities, and/or technical instruction all of which, must be authorized by an instructor. If the student fails to complete a module due to an approved Leave of Absence the student must repeat the cycle/modules successfully to graduate from the course. The school will not assign an instructor to students who have failed to complete the course within the original contract time frame. The school will make its best effort to assist students so they may complete their program, but the responsibility remains with the

student. At no time may students be dismissed from class modules unless approved by the Director of Education.

DRESS CODE AND APPEARANCE

All students are required to be in dress code whenever clocked in earning hours. The personal appearance of our students reflects our school image and visually states what the school represents. Our dress code of black and white represents a clean professional look.

The school reserves the right to enforce this policy on the basis of integrity if one interprets it in a different manner than was intended.

ELECTRONIC DEVICES

All noise generating electronic devices must be kept in silence mode during class hours so not to cause a disruption to the class. Federico Beauty Institute is not liable for lost, damaged or stolen electronic equipment.

Phones must be kept on silent while class is in session. Students must refrain from using their phone for personal use while lecture and hands on instruction is in progress. Phones may only be used on the clinic floor in direct service of the client (i.e. looking up a hairstyle, calling a parent/guardian of client in case of emergency). Use of a phone as a camera is subject to Cameras policy outlined below.

Laptop, iPad & phone usage should relate directly to the course of study you are enrolled in.

Cameras are allowed to document student work only. If a student wishes to take a picture of work done on a client, the student must secure the client's permission in the presence of an attending educator. A model consent form must be signed by the client, and turned into the reception desk.

SANITATION

It is everyone's responsibility to keep our working and training facility clean. Each student throughout their training will be assigned specific sanitation duties. These duties will be no greater than what is expected of professionals in a salon. Throughout the day students must keep styling tools in a sanitized condition as well as their work area. It is important

FIRE AND EMERGENCIES

In case of fire or other emergency, your responsibility is to protect yourself by leaving the building in a calm, orderly manner. The emergency Evacuation Route is posted near all exit doors. Know the evacuation route, and where fire extinguishers are located throughout the building.

STUDENT DEVELOPMENT SYSTEM

When a student is in non-compliance with Federico Beauty Institute policies as outlined in this catalog, a referral slip may be written by a staff member. The referral slip is then submitted to the Director of Educational Systems (DES). The DES must review the documented non-compliance assessing its validity, conduct a student development meeting, and apply the proper disciplinary action.

Non-compliance issues are categorized in a three tiered system:

Clock Outs are non-disciplinary, noncompliance issues where the student is considered unprepared for class and simply sent home for the day.

Infractions are simple noncompliance issues such as cell phone usage or improper sanitation, etc.

Violations are other noncompliance issues and are categorized into three separate levels according to severity.

Clock-Outs: Non-disciplinary

CO1 - Non-compliance with Dress Code Policy: On first non-compliance, student will be allowed to clock in after establishing compliance with policy. Repeated dress code non-compliances will result in clock out for day.

CO2 - Failure to have necessary supplies: Clocked out for day.

Infractions: The three step process is applied to each infraction individually

Code of Infractions

I1 - Cell phone & Electronic Devices

I2 - Lack of Professionalism (Excessive noise, classroom disturbance w/o malicious intent)

I3 - Non-Compliance with service protocol

I4 - Lack of Applied Effort

I5 – Non-Compliance with Housekeeping/Sanitation Protocols

I6 - Non-Compliance with Attendance Protocols (calling into registrar, early dismissal process, timely breaks and lunches)

I7 - Not clocked out for break/lunch (on-campus): Infraction + Time Deduction

I8 - Non-compliance with personal service policy

I9 - Non-compliance with educator directives

Violations: Three strike system (clock-out, suspension, termination) with three categories (severity levels)

- Category 1 – Counts as one strike
- Category 2 – Counts as two strikes
- Category 3 – Counts as three strikes

Category 1:

V1.1 - Clocked in, not on campus

V1.2 - Lack of professionalism (malicious intent, non-violent, non-threatening or egregious lack of customer service)

V1.3 - Refusal of service

Category 2:

V2.1 – Cheating (constitutes automatic failure of exam)

V2.2 – Forgery; Falsification of credit or hours

V2.3 - Lack of Professionalism (malicious intent, violent, threatening behavior, abusive language)

Category 3*:

V3.1 - Weapon possession

V3.2 - Theft

V3.3 - Physical Assault

V3.4 - Under the Influence

V3.5 - Egregious occurrence of any category 2 violation

*Management reserves the authority to refuse a student's right to appeal termination for a Category 3 violation.

If two or more infractions/violations are referenced on the same referral slip, applicable sanction of highest consequence will be imposed.

Saturday School: If you have been placed on the disciplinary system within the last 30 days you will not be eligible for Saturday school.

ETHICS

At Federico Beauty Institute, we place a high value on the integrity and good judgment of every individual associated with the school. Any deviation from high ethical standards can bring discredit not only to the school but to the industry as a whole. We expect every student to exercise discretion and professionalism at all times. Clients, staff members and fellow students must be treated with respect and courtesy. Conversation topics should be limited to Professional subjects and not include: Religion, Politics, Sex and Personal problems.

The school positively reserves the right to take disciplinary actions, up to and including termination of student status, against students who gossips, uses vulgar language, engages in bullying behavior, or causes any other type of discord. Respect must be shown at all times towards peers, customers and staff.

CONDUCT AND DISCIPLINE

It is expected that all Federico students are enrolled for serious educational pursuits and that they will conduct themselves accordingly to preserve a positive learning environment. It is also expected that all students who enroll at the School are willing to assume the responsibilities of citizenship within the student body. Association by such a student is voluntary, and student may withdraw from it at any time that they consider the obligations of membership disproportionate to the benefits. While enrolled, students are subject to school policies, rules and regulations that include the prerogative of dismissing those whose conduct is unfavorable to the aims of an institution of higher education.

COMPLIANCE

Students must comply with all instructions, directives, and orders given by the school personnel relative to school activities. Students must comply with the school's Standards of Performance, Policies and Procedures and State Rules and Regulations

TERMINATION

Termination of a student is defined as no longer receiving credit, whether by the student's voluntary withdrawal, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.

A student may be considered terminated under the following conditions:

- A student in non-attendance who has not notified the school, verbally or in writing of their intent to drop, shall be terminated from their program 14 days after the last day of physical attendance.
- Advancement to Termination of Enrollment in accordance with the Student Development System.
- Non-payment of tuition according to the tuition schedule in the Enrollment Agreement.
- Unsatisfactory attendance preceded by reprimand, probation and suspension.
- Failure to maintain a 75% grade average on both written exams and practical applications.
- Misrepresentation of personal information on contracts or documents.
- Non-completion of the program within 1.33 times the maximum time frame of the program.

CAREER ADVISEMENT

Students are counseled individually, as often as necessary. Advisement takes place as part of the satisfactory progress review as scheduled for each student period of enrollment. Industry professionals are scheduled into the school periodically to give demonstrations and discuss career goals with the students. This activity supplements the daily advisement carried out by the instructors and supervisor. Students may request additional advisement sessions at any time. Often the school is in a position to help a student with personal or business problems. We will be happy to discuss them by appointment on an individual basis. Students are encouraged to come to us with problems or questions which may affect their performance in school. Advice on course selection and vocational goals is provided to all students before enrolling in school, and at any subsequent time. Should a problem arise in the following areas, seek out the appropriate person/department:

Curriculum
Personal Finances

Director of Education
Financial Aid Officer

DISCORD RESOLUTION

If you have a problem with an individual, try to resolve the matter with that person. If the problem cannot be resolved, our Director of Education can act as a buffer so both parties may discuss their problems calmly and with a third party to assist in resolving the matter. Here are the steps you should follow if you are not able to solve the issue yourself:

1. Speak with the Director of Education
2. Determine what type of solution you are looking for if the issue has not been resolved by this point
3. Fill out a Discord Resolution Form and submit it to the Director of Education
4. The Director of Education will follow up with you within 72 hours of submitting the Discord Resolution Form

Should you not agree with the outcome of the Discord Resolution, you should follow the Grievance Procedure for The School.

GRIEVANCE PROCEDURE

The grievance policy is contained in The School's catalog which is issued prior to students' enrollment. If you have a problem with an individual, try to resolve the matter with that person. If the problem cannot be resolved, our Director of Education can act as a buffer so both parties may discuss their problems calmly and with a third party to assist in resolving the matter. If needed, the problem may be taken up with the Administration Office. This chain of command permits the proper flow of information and allows the system to function more effectively. This produces more positive results, rapid action/reaction and consistency.

Formal grievances may be filed by following these steps:

1. All grievances must be in writing using any form you prefer and describe in detail any allegation that may be affecting your education.
2. The grievance must be submitted within (5) five business days to the Director of Education from the date that the incident occurred.
3. The Director of Education will evaluate the grievance within 5-10 business days and submit a written response back to you.
4. Should the student disagree with the decision of the Director of Education, an appeal must be filed within 5-10 business days.
5. An appeal committee will be formed and provide written notice to the student of its decision within a reasonable time frame (10-15 days). The appeal committee will be comprised of seven voting members (four students and three staff) and one non-voting facilitator. Each member of the appeal board must sign a confidentiality agreement.
6. The decision of the committee shall be final.
7. If you feel at any time during the complaint procedure that the issue is not being satisfactorily resolved by The School, you may be directed to the Bureau for Private Postsecondary Education at 1747 North Market Blvd Suite 225, Sacramento, CA 95834, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

Records of complaints and their resolutions are retained in the Administrative office.

RECEPTION DESK

The school reception desk is typically a gathering place for students. Unfortunately, gathering at the desk disrupts clients entering the school and is a distraction to the receptionist. Only employees are allowed behind the reception desk. Appointments are to be made by the reception manager or designated staff member. Personnel must follow this procedure to insure consistency and professionalism.

LAST CLINIC APPOINTMENT TAKEN

The last appointment taken should reflect the normal total time needed to complete the full service.

DISPENSING OF EQUIPMENT AND MATERIALS

The dispensary is responsible for dispensing supplies to ensure inventory control. It will be necessary for the student to

present the client work ticket before any supplies will be released. If a student is checking out an implement from the dispensary, they must provide their badge. Upon the return of the checked out items, the student badge will be returned. If equipment is found to be in need of maintenance, then the student should notify an operations employee.

SERVING THE PUBLIC

Students will be serving the public and must be courteous and pleasant. Students must take all appointments assigned to them after completing specific classes. Therefore they should be prepared with the necessary equipment needed to complete the service. For safety purposes, you are not to leave a client during a service while a chemical is processing, during a facial peel, or while an electrical apparatus is applied to the skin.

COSMETOLOGY & BARBER SERVICE PROTOCOL

1. When students are called to the Reception desk for an appointment, a work ticket will be provided and indicate the type of service(s) their client has scheduled.
2. The student will greet the client in a professional manner and direct them to their station. The work ticket must be prominently displayed at the station.
3. Upon completing the consultation process and the customer service checklist on the back of the work ticket, it is required to consult with the floor instructor before the service begins or add services as deemed necessary.

2. Esthetics students set up the treatment room 15 minutes before their scheduled appointment.
3. Once the client arrives, the front desk will check them in and print out their work ticket. The student will be called to the reception desk, given the client's work ticket and a client consultation form.
4. The client is then escorted to the treatment room where the consultation is conducted and skin analyzed. Products to be used for the service are entered on the consultation form. The student then must have an instructor check product formulation and initial consultation form.
5. The completed consultation form & pallet is presented to dispensary for product disbursement.
6. Service is performed.
7. Upon completion of the service, the client is escorted to the reception desk to finalize their transaction and purchase recommended retail products. The client consultation form is given to the cashier.
8. Once the treatment room has been cleaned, a staff member will follow with a room inspection.

MANICURING SERVICE PROTOCOL

4. The work ticket will be presented at the dispensary for product to be dispensed.

DISABILITY ACCOMMODATION & GRIEVANCE POLICY**Statement of Non-Discrimination and Accommodation**

Federico Beauty Institute ("the Institute") does not discriminate on the basis of disability. Individuals with disabilities are entitled to a reasonable accommodation to ensure that they have full and equal access to the Institute's educational resources, consistent with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) ("Section 504") and the Americans with Disabilities Act (42 U.S.C. § 12182) ("ADA"), their related statutes and regulations, and corresponding state and local laws.

Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the ADA Compliance Coordinator, or his/her trained designee who has been designated to coordinate the efforts of the Institute to comply with Section 504 and ADA.

ADA Compliance Coordinator: Greg Rupert
1515 Sports Drive, Sacramento, CA 95834
Telephone: (916) 929-4242 x220
Email: compliance@federico.edu

Requests for Accommodation

Individuals with disabilities wishing to request an accommodation must contact the ADA Compliance Coordinator. A disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA Compliance Coordinator will not be treated as a request for an accommodation. However, if a student discloses a disability to such an individual, he or she is required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a Request for Accommodations form, which is also available on the Institute's website under the Consumer Info tab. To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed.

Individuals requesting reasonable accommodation may be asked to provide medical documentation substantiating his/her physical and/or mental impairment(s) and/or the need for the requested accommodation(s), including but not limited to when the limitation or impairment is not readily apparent and/or a requested accommodation does not clearly relate to the impairment(s). Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation, and must be completed by a qualified professional in the area of the student's disability, as enumerated below:

Disability	Qualified Professional
------------	------------------------

Physical disability	MD, DO
Visual impairment	MD, ophthalmologist, optometrist
Mobility, orthopedic impairment	MD, DO
Hearing impairment	MD, Audiologist (Au.D) *audiology exam should not be more than a year old
Speech and language impairment	Licensed speech professional
Learning disability	PhD Psychologist, Institute learning disability specialist, other appropriate professional
Acquired brain impairment	MD neurologist, neuropsychologist
Psychological disability	Psychiatrist, PhD Psychologist, LMFT or LCSW
ADD/ADHD	Psychiatrist; PhD Psychologist, LMFT or LCSW
Other disabilities	MD who practices or specializes within the field of the disability.

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations. The Institute may request additional documentation or testing as needed.

After the ADA Compliance Coordinator receives the Request Form and the required documentation, he/she (or his/her trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be appropriate.

If the student or applicant is denied any requested accommodation, he/she may file a grievance using the Grievance Process below or he/she may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity. The Institute will make appropriate arrangements to ensure that a person with a disability is provided other accommodations, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

Grievance Policy Relating to Complaints of Disability Discrimination

The Institute has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes he/she has been subjected to discrimination on the basis of disability, including disagreements regarding requested accommodations, may file a grievance with:

Jeremy Federico
1515 Sports Drive
Sacramento, CA 95834
(916) 929-4242 x207 jfederico@federico.edu.

Grievances must be in writing, contain the name and address of the person filing it, state the problem or action alleged to be discriminatory, and the remedy or relief sought.

The Institute will investigate each complaint filed, and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to

the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. Based on the results of the investigation, the Institute will take all appropriate actions to prevent any recurrence of discrimination and/or to correct any discriminatory effects.

The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Education's Office for Civil Rights and/or a similar state agency.

UNDER THE INFLUENCE

Any student who possesses or who is determined to be under the influence of drugs or alcohol while on the school premises or attending a school related function, will be subject to disciplinary actions up to and including termination. The model must be at least 12 years of age and cannot be a student who is scheduled to be on the clock. The educator will give the student a minimum five-day notice. Failure to bring in a model constitutes a clock-out (CO2) for failure to have necessary supplies.

REQUIREMENT TO GIVE AND RECEIVE SERVICES

A student may be required to perform services on or receive services from another student during class as part of their learning experience. If a student has a medical condition that prohibits them from receiving a particular service, they must submit supporting documentation from a certified physician prior to the affected practical assignment. Abstaining from required practical work without proper documentation constitutes a failure of applied effort and the student will be clocked out for the day.

Students are allowed to submit a list of friends and family to receive 50% off regular service prices. Cosmetology & Barber students may submit up to five names prior to being placed on the clinic floor for the first time. *Up to two of the five spots can be held open and filled at a later date.* Esthetics students may submit up to two names prior to Phase 3 of their education. The discount will apply only to services booked with that particular student. This cannot be combined with any other offers.

This process will assist in the student's learning experience. Clients/students must use products that the school carries and actively supports (with SDS on file) when receiving a service.

STUDENT SUPPLIES AND MATERIALS

The student is expected to supply all tools and materials needed for their learning experience, except products for paying clients (See use of school products/materials). A student must have all necessary supplies for their prescribed daily work with them at school. Failure to have necessary supplies constitutes a clock out for the day (See Student Development System – CO2). As a Pivot Point school all students must purchase LAB to access educational content.

RESOURCE MATERIALS AVAILABLE

Students have access to a library of resources located on Pivot Point LAB. Free public WIFI is available.

STUDENT CHARGES OF BOOKS & EQUIPMENT

The school will provide a selected list of items (purchase orders) for the specific educational module that a student will be entering. Additional items students choose to purchase on account are their sole financial responsibility. If the bookstore account limits are exceeded, students may be required to pay cash if no further financial aid assistance is available. If a student is not making satisfactory progress, he/she will not be able to charge, but the student is still required to have all materials needed for his/her class. Students must present their Student ID badge to charge to their bookstore account.

PRODUCT RETURNS

Tender will be refunded in the same manner as which it was originally purchased (i.e. cash purchase=cash refund, student account purchase= student account credit)* provided the refund falls within the following parameters:

- **Retail Products:** 30 Days
- **Unused Kit Items:** Must be returned prior to student graduation counseling.

EQUIPMENT AND BELONGINGS

Each student is responsible for his/her personal belongings and materials. A locker or storage units are provided for this reason. All bottles and containers must be labeled to identify contents. The school reserves the right to inspect lockers at any time. Students may not borrow equipment from one another, and they are responsible for the return of school materials and equipment loaned to them. Any equipment/supplies borrowed from the school not returned in proper working order will be charged at Federico cost plus 10% shipping on their Federico charge account. Personal kit belongings must be removed from the school no later than 30 days from the students last day of attendance. No written notice will be given.

CAREER SERVICES

The career services department provides job placement assistance, externship assistance and books guest speakers into our institution. This school does not guarantee placement. However, job placement assistance is provided by giving referrals to graduates.

FIELD TRIP PARTICIPATION*

The management of Federico Beauty Institute believes that outside education and exposure to our industry is a vital part of our students' development. In accordance with this belief, Federico Beauty Institute awards hours for attending trade shows and other educational events. The Guidelines for administering field trip credit are as follows:

Total Field Trip Hours Allowed:

Cosmetology:	30 hours
Barber:	30 hours
Esthetics:	20 hours
Manicuring	15 hours

Field Trip hours can be earned by active students at any time prior to graduation counseling appointment (see Exit Procedures for Students Completing Course of Study).

The events that Federico Beauty Institute supports will have a designated educator or faculty member in attendance. Credit given for field trips will be four hours per day of attendance. Student must complete 'ft-1' form for credit. This form designates a time and place to meet Federico Beauty Institute educator or faculty member at the show. Completed 'ft-1' form must be turned in with timecard by close of business Saturday of week following the event (see time card policy "Additional Instructions/Guidelines for Clocking in and out"). In the rare event that a field trip falls on a scheduled school day, a student may receive up to their regular scheduled hours if that exceeds four hours. In this case student must sign in and out at designated times to receive full hours.

FEDERICO BEAUTY INSTITUTE OUTINGS*

These are events where students volunteer to represent Federico Beauty Institute in the public. Examples of these events have included Vietnam Stand Down, external fashion shows, and local high school career days.

Hours awarded for assisting on an outing will be consistent with actual hours worked at the event. These hours **do not** count against the maximum allowable field trip hours, and an unlimited number of outing hours can be earned. Often, more students express interest in representing the school on an outing than Federico Beauty Institute has space for. In such cases the following criteria for selecting student will be followed.

- 1) Student must not have been advanced to step 2, step 3, strike 1, or strike 2 of the student development system within 30 calendar days prior to outing. Once a student has had their enrollment terminated through advancement through the SDS, they are permanently ineligible to represent Federico Beauty Institute on an outing.
- 2) As most events occur on Saturdays when PM students are ineligible to attend, in an effort of equitability 50% of available slots for events falling on Sunday or Monday will be allocated to PM students.
- 3) Eligible students will be prioritized according to a composite attendance score determined as follows: Overall Attendance Percentage + Attendance Percentage over previous 30 calendar days.
- 4) Student must sign extracurricular activity agreement.

To receive hours for attending a Federico outing, a student must turn in a completed Student Activity Agreement with their start and finish time signed off by Federico Beauty Institute representative.

INTERNAL ADVANCED EDUCATION*

These are classes that Federico Beauty Institute offers to its students outside of their normal schedule. An example of Internal Advanced education is Federico Advanced Trainings. There may or may not be a fee associated with the class. These classes may or may not count as hours towards a student's education (as determined by Administration). Federico Beauty Institute will notify students how many (if any) hours will be given for the education when internally promoting the event/class. These are not considered "field trip" hours and **do not** count towards the maximum field trip hours allowed.

**** While hours earned outside of a student's regular schedule do reduce the number of hours needed to graduate, students must complete all prescribed courses in their curriculum before proof of training is awarded (i.e. an esthetics student cannot graduate until they have completed their State Board class).***

MAKE-UP TIME POLICY

Federico Beauty Institute allows students to make up time that they have missed during regular scheduled days of enrollment. This opportunity is granted for students to decrease overtime charges and help correct changes to their graduation date. Students cannot schedule make-up time until they are eligible to be on the Clinic Floor. Students cannot make up time passed their graduation counseling date. This date is set at 80% scheduled hours and will be given to each student in their welcome packet and each time they sign up for make-up time.

Make-up time scheduling opens the beginning of each month. Interested students must sign up with an Administrative staff member no later than 24 hours prior to the requested date. Sign-ups are on a first come, first served basis. A student can only sign up for the number of hours they are missing. A minimum three hour shift must be scheduled. Rescheduling or cancelling scheduled make up time is not permitted. If a student does not show for their scheduled make-up time, they will lose make up time eligibility for two weeks.

Students must be prepared to receive clients during make-up time. If they do not have necessary tools or refuse to accept an assigned client, they will be clocked out and sent home for the day. No adjustments to time in CourseKey are permitted while making up time. Students are not allowed to receive personal services while on scheduled make-up time.

Any make-up time restriction will not affect regularly scheduled hours.

All other time and attendance policies apply.

No student is required to make up any missed hours.

OFF CAMPUS SAFETY PRECAUTIONS

Federico Beauty Institute takes reasonable steps to ensure that off campus events are safe for our students to attend. As always, be aware of your surroundings and use the buddy system to ensure your own personal safety.

EXTERNSHIP PROGRAM

- A) Students receiving Veteran's Assistance are not eligible for the Externship Program.
- B) Manicuring students are not eligible for the Externship Program.
- C) Cosmetology students must complete a minimum 600 clock hours; Barber 600 clock hours; Esthetics students must complete a minimum 450 clock hours.

Once a student has had their enrollment terminated through advancement through the SDS, they are permanently ineligible to participate in the externship program.
- H) Students' cash payments must remain current, financial aid paperwork including second budget must be complete, and all accounting issues must be resolved.
- I) Student must purchase the \$5 Student Extern Badge, and must wear the badge at all times during externship as required by the CA State Board of Barbering and Cosmetology.
- J) Student must demonstrate positive conduct during externship; if a student receives two (2) direct complaints or low overall evaluations from Salons/Spas, the student will lose participation eligibility (see 'Evaluations').
- K) Students cannot extern while scheduled to be in a theoretical class, state board prep class, dispensary rotation, or on a day they are booked with a Federico client request. AM Students who attend school on Saturday are not eligible for externship on Saturdays. It is the students' responsibility to be aware of theory and operational hours needed to graduate.
- L) Students will not be allowed to request further externships unless all preparations for graduation are completed two weeks prior to last day of attendance. This includes but is not limited to possible restraint from externship to complete a deficit in theory or operational hours, exit loan counseling, and exit interview.
- M) Federico Management Staff may deny a student's eligibility for demonstrating unethical behavior during externship.
- N) Complete the Student Externship Program Application which includes your goals & training plan for participating in the extern program.
- O) **Students are responsible to return the evaluation forms from the salon within two days of the externship date or no credit/hours will be given.**
- P) In accordance with California and Federal regulations, externship program hours may not exceed 25% of the total course and/or program hours. Externship clock hours may not exceed: 250 for Cosmetology, 250 for Barber & 150 for Esthetics.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

The SAP policy is contained in The School's catalog, which is issued prior to students' enrollment. This institution expects all clock hour students to maintain Satisfactory Attendance and Academic Progress (SAP). All students are held to Satisfactory Progress Policy Standards regardless of their financial package. In order to maintain financial eligibility, a student must retain Satisfactory Progress. The institution will notify students at all evaluation points as these

evaluations can impact student's financial aid eligibility. You will be evaluated on three criteria, (1) Attendance (must average at least 75% of **scheduled hours** of attendance), (2) Written and practical exam scores, (3) Progress regarding your ability to perform required operations (practical skills) in a proficient manner. You will be evaluated based on the course and schedule in which you are enrolled. See Evaluations Periods. In order to maintain SAP as established by this institution a student must:

- 1) Maintain a cumulative academic average of 75% (C) or better at the end of each evaluation period. The grading takes into consideration grades obtained on written exams and practical grades obtained by hands-on examinations.

The grading system detailed below is the system utilized in the school

Excellent	92-100%
Very Good	84 -91%
Satisfactory	75-83%
Below Satisfactory	0 – 74%

- 2) Scheduled attendance is defined as the hours per week/month the student has contracted for on his/her enrollment agreement (contract). For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 22.5 hours per week ($0.75 \times 30 = 22.5$).

The maximum time frame for a student to maintain Satisfactory Academic Progress is 133% of their scheduled enrollment. In order to complete within the maximum time frame, a student must maintain at a minimum an average of 75% of their scheduled enrollment.

In the event of extended absences, students must make contact with the school within 14 calendar days of last date of attendance. If contact is not made within 14 days, the student will be withdrawn. If contact is made within 14 days, the student may be absent up to 21 consecutive calendar days. Regardless of the average level of attendance, students who have three consecutive weeks of absences, (21 calendar days) will be dismissed.

In addition to attendance standards relating to Satisfactory Academic Progress, students are also required to adhere to certain other general institutional policies relating to attendance, tardiness and school rules and regulations. These policies are outlined in this school catalog.

Leave of absences will extend contract period and maximum time frame by the amount of time taken on the leave of absence. *Legitimate reasons for taking a LOA include: pregnancy; hospitalization of the student, immediate family member, or someone to whom the student is designated as primary caregiver; military duty; temporary disability; or a serious medical emergency.* Time used on a leave of absence does not effect a student's missed time, and will not count against Satisfactory Academic Progress standards. Upon a student's return from leave of absence, he or she will maintain the same Satisfactory Academic Progress standing they had prior to taking a leave. *See Leave of Absence Policy for additional details.*

Hours that are accepted from another institution are counted as both attempted and completed hours for the purpose of determining when the maximum allowable time frame has been exhausted (see SAP policy). SAP evaluation periods will be based on scheduled contracted hours. *See transfer policy.*

Re-entry students will be considered to be in the same progress status as when they withdrew. *See re-entry policy.*

- 3) Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making Satisfactory Progress until the next scheduled evaluation.

EVALUATION PERIODS

Federico Beauty Institute's Academic Year is 900 clock hours of instruction over 30 academic weeks.

Because SAP evaluations can affect student's eligibility for financial aid, all students must be in compliance with the Satisfactory Academic Progress policy at the end of each evaluation period or term of the course.

At each evaluation period, students meet individually with staff to review Satisfactory Academic Progress. Progress reports are retained in the student file and a copy is provided to students. The final evaluation is retained in the students file. They will be made available to students upon request.

If at the end of an evaluation period the student fails to maintain a passing academic average or fails to successfully complete the clock hour percentage required, the student will be placed in a Financial Aid Warning status. The student will be eligible for financial aid funds for one subsequent evaluation period.

If at the end of the evaluation period following the period after Financial Aid Warning Status, the student achieves the required academic average or the required attendance average, the student is deemed making satisfactory progress.

If at the end of the evaluation period following the period after Financial Aid Warning Status, the student fails to achieve the required academic average or required attendance average, the student would be placed in an ineligible status for financial aid funds. At this point the student will be informed by the institution of their ineligibility for future financial aid funds. The student will also be informed of the steps to take to initiate an appeal process.

SATISFACTORY PROGRESS

The following levels must be achieved for a student to be making "satisfactory progress" within our institution.

- A. An overall academic grade average of 75%.
- B. Must maintain an overall average of 75% in attendance*
- C. Adherence to all school policies.

UNSATISFACTORY PROGRESS

All students who fail to maintain satisfactory progress will be subject to the following restrictions (see Satisfactory Academic Progress Policy :

- A. No charges will be allowed

- B. Personal service privilege is revoked.
- C. Title IV funding will be stopped.

MAXIMUM TIME FRAME

Students who exceed the institution's maximum time frame of 133% of scheduled hours will be terminated. Such students are permitted to apply for re-entry as cash pay students.

FINANCIAL AID WARNING AND FINANCIAL AID PROBATION

Students who fail to meet the SAP academic or attendance standards at any given evaluation point will be placed on **financial aid warning** during their next evaluation period. Students **remain** eligible to receive financial aid during financial aid warning and will be considered as making satisfactory progress during this period.

Students who fail to meet SAP by the conclusion of financial aid warning will be considered as not maintaining Satisfactory Progress and will be placed into **Unsatisfactory Progress**. At this time, the student will lose any remaining eligibility for student financial aid. The student is allowed to appeal the Unsatisfactory Progress determination. The school will determine if SAP can be met by the end of the subsequent evaluation period. If not, the school may develop an academic plan for the student that, if followed, will ensure that the student is able to meet SAP requirements by a specific point within the maximum timeframe. Time tables are developed on a case by case basis and are tailored to the individual student's needs.

If the appeal is accepted, the student will be still considered eligible for financial aid until their next evaluation and be considered on **Financial Aid Probation**. If the student's appeal is denied, the student can be subject to termination. If allowed to continue enrollment after a denied appeal, the student cannot be placed on SAP probation and must make payment arrangements with the school. They may also be subject to additional terms and conditions. Acceptance of additional terms and conditions may include waving one's right to appear before an appeal board. If the student regains satisfactory progress at their next evaluation, their financial aid will be reinstated.

APPEAL PROCEDURES:

Students who wish to appeal (Unsatisfactory Progress, Disciplinary Process, or Transfer Hours Assessment) must:

1. Submit a written request to Administration. The letter must be received within five days of being placed in unsatisfactory progress or after the student's enrollment has been terminated. This letter must describe why the student failed to make SAP and what has changed in the student's situation that will allow the achievement of SAP by the next evaluation. It should also include any circumstances relating to the student's academic standing which the student believes deserve special consideration (such as death of a relative, injury or illness, etc.). The appeal should also contain any documentation of special circumstances. This letter should also include valid contact information, in order for administration to respond to the appeal.
2. Administration shall evaluate the appeal within a reasonable time-frame (no more than 10 business days) and notify the student in writing of the administration's decision. Administrative decision is final when appealing SAP and the decision letter will include how the student can reestablish eligibility for financial aid. A copy of the decision letter and attached documentation will be kept in the student file.
3. Should a student's termination appeal be denied, they may appear before an appeal board to present their case (except in the case of appealing SAP). If a student elects to appear before an appeal board, they consent to having their student file disclosed to the board.
4. The student must contact the school within seven calendar days of the postmarked date on administration's response letter to schedule a time for an appeal hearing. The appeal board will be comprised of seven voting members (four students and three staff) and one non-voting facilitator. Each member of the appeal board must sign a confidentiality agreement.

The appeal hearing process will proceed as follows:

1. Student's file will be reviewed by facilitator.
2. Student will be given 15 minutes to present their case for continuation of enrollment. Any and all documentation supporting their case will be presented at this time. This includes time for Q&A by appeal board members.
3. The student will be dismissed from the proceeding.
4. A school representative will be given 15 minutes to present administration's case for termination of enrollment.

This includes time for Q&A by appeal board members.

5. The school representative presenting administration's case will be dismissed from the proceeding.
6. Thirty minutes will be allowed for board discussion.
7. A written vote will be taken and counted by facilitator. The vote will be majority rules.
8. A letter of reinstatement with terms and conditions (if applicable) or a letter of denial will be both emailed and postal mailed to the student within one business day.

The decision of the committee shall be final.

If a student does not arrive for his/her appeal hearing within 15 minutes of the scheduled start time, they will be considered a "failure to appear" and lose any further recourse to appeal.

ADDITIONAL VA REQUIREMENTS*

Students receiving VA benefits are evaluated monthly and must maintain:

- 75% overall academic average
- 75% overall attendance average

Students not maintaining these minimum requirements for two consecutive months will be placed on probation. If at the end of the probation period the minimum requirements are not met, VA benefits will be terminated.

All previous education and training must be evaluated by the school and the student and VA will be notified accordingly. Students receiving VA benefits, do not have the option to request that an evaluation not be conducted or that the course credit not be granted where appropriate.

Attendance will be certified for 100% attendance to the VA. Missing any time will result in benefits not being paid to the student for any time the student is still attending school past the 100% graduation date.

If certification is terminated, the student may be responsible to repay the VA any tuition and/or personal stipends the VA has already paid for my education at Federico. Students will be notified by the VA if this is the case.

Previously terminated certification may be reinstated by meeting the minimum requirements.

Students receiving VA benefits are not eligible for the externship program.

Federico Beauty Institute is approved for the training of veterans and eligible persons under Title 38 of US Code.

**applies to Cosmetology, Barber, Esthetic and Manicuring students*

LEAVE OF ABSENCE (LOA) Policy

Federico Beauty Institute recognizes the need of a Leave of Absence when a medical condition, military commitment, or other extenuating circumstances warrant an interruption in study. Students must follow the following LOA Policy.

LOA PROCEDURES

1. The student must complete and submit the LOA request to administration in advance. The written request must include the reason for the LOA, as well as the student's signature. The student will be notified if the LOA is approved or denied. On occasion, unforeseen circumstances may prevent this from happening. For example, if a student were injured in a car accident and needed a few weeks to recover before returning, the student would not have been able to request the LOA in advance. In this case, the school will document why a student is placed on the LOA, and the final documentation will be gathered at a later date. In these events, the LOA beginning date would be determined by the school to be *the first date the student was unable to attend school* due to the unforeseen circumstance.
2. In order to grant a LOA to a student, there must be a reasonable expectation that the student will return from the leave.
3. Multiple LOAs may be granted if the LOAs, together, do not exceed a total of 180 days in any 12-month period.
4. No additional institutional charges will be assessed during a LOA. All student discount privileges are revoked while on LOA.
5. A student granted an LOA that meets the LOA criteria is not considered to have withdrawn and no refund calculation is required at this time.
6. The Institution will extend the student's contract graduation date by the same number of days taken in the LOA. A contract addendum signed by all parties will be used to document the extension.
7. Should a student need to extend a Leave of Absence, the extension must be submitted in writing prior to the end date on the original LOA. The student will be notified by Administration if the extension is approved.
8. When returning from a Leave of Absence, the student must report to administration and complete LOA Return Form/Contract Addendum.
9. If a student takes an unapproved LOA or does not return from a LOA, the student's official withdrawal date for the purpose of calculating a refund will be the last date of attendance.

If a student has not completed the proper LOA procedures, all time missed will count as absences from school and will affect overtime charges and Satisfactory Progress. If a student misses over 14 calendar days with no contact to the school and without an official Leave of Absence, his/her contract will be terminated.

EXIT PROCEDURES FOR COMPLETING COURSE OF STUDY (GRADUATION COUNSELING)

An appointment for graduation counseling is set by the Administration staff for each student on their first day of school. Graduation counseling appointments are booked for the day the student reaches 80% scheduled time, which is the same day for the entire class. On the day of graduation counseling, the Alumni Services Coordinator will go over the following:

1. Provide projected graduation date and review all hours and operations for accuracy.
2. The student will be given a passport date. The passport date reflects the date two weeks prior to student graduation at the time of graduation counseling. This date does not change.
3. Students will be given a review of all tuition and supply accounts. Final payment must be received by passport date and paid in cash, money order, or credit card (unless other payment arrangements have been made).
4. All required operations, theory hours and written/practical exams must be completed with a passing score by passport date.
5. If the student has a federal loan, Exit loan counseling must be completed, unless all loans have not been disbursed.
6. All students must complete an evaluation of course and a diploma request form.
7. Students are no longer eligible for make-up time once they attend graduation counseling.
8. All student information such as address and phone number must be updated if necessary.

On Passport Date:

1. Student is responsible for ensuring that 98% of clock hours, theory hours and operations are complete.
2. Student is responsible for ensuring that all written and practical exams are completed/passed, including state board prep exam.
3. Student is responsible for ensuring that exit loan counseling is complete if they have received student loans.

On The Final Day of School:

1. Students with all accounts in good standing will receive their Proof of Training and Diploma at final clock out.

ENTRANCE/EXIT LOAN COUNSELING:

You are required to complete entrance loan counseling if you are a first time borrower and prior to receiving your first disbursement. To complete your Direct Loan Entrance Counseling, go to www.studentaid.gov, and sign in using your FSA ID.

Select "Complete Entrance Counseling." Note that you can add an email address to which correspondence about your loans can be sent.

For additional information, read "Direct Loan Entrance Interview" pamphlet and/or go to <https://studentaid.gov>.

If a student withdraws or terminates and administration is unable to have the student complete exit loan counseling prior to the student's departure, the school will send a letter to the student, requesting exit loan counseling to be completed at www.studentaid.gov

GRADUATION DOCUMENTATION

When a student has completed the required course hours, theory hours, practical operations, passed all practical and written exams with a GPA of "C" (75%) or better and has met all financial obligations he/she is awarded a diploma certifying graduation. Upon completion of all curriculum requirements, the student must pass a comprehensive Academic and Practical final exam, to include any applicable competencies required by the State licensure agency, prior to graduation from the program. A Proof of Training Document is also awarded to certify completion to The Board of Barbering and Cosmetology. The Distance Education component of the course is documented in completion paperwork.

TEXTBOOKS, EQUIPMENT & SUPPLIES

Students are responsible for purchasing their own supplies needed for their educational course. A list of the supplies required will be provided to the student before enrolling in the course of study. If the student chooses to purchase the supplies needed at the school he/she may establish a line of credit for this purpose. Federico Beauty Institute will extend to each student a credit line during his/her enrollment for the purpose of purchasing these items. The only items that may be charged are those that are specified on a purchase order provided to the student by the school. This will enforce that only items necessary for training are allowed to be charged. The student is responsible to pay off this account prior to their last day of attendance. If the student is eligible for financial aid he/she may use some of this money to pay off the account since it is a direct cost of education. The student may apply for the credit by going to the Financial Aid Office.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N Market Blvd Ste 225 (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number

SCHOLARSHIP AND FEE WAIVER POLICY

Federico Beauty Institute does not currently offer any scholarships. However, we will accept any outside scholarships awarded to our students. From time to time, we offer tuition discounts. These discounts are applied to the advertised specific class start dates only. The School reserves the right to grant fee waivers. Any fee waivers granted will be evaluated on an individual case by case basis by the Director of Financial Aid. For additional information, please see the Financial Aid office.

TUITION FEE FOR ADDITIONAL TRAINING (EXTRA INSTRUCTIONAL CHARGES)

Each course must be completed within the following total possible hours to avoid incurring any overtime charges.

- Cosmetology required 1000 hours/normal time allowance hours 1100
- Barber required 1000 hours/normal time allowance hours 1100
- Esthetics required 600 hours/normal time allowance hours 660
- Manicuring required 400 hours/normal time allowance hours 440
- The student must complete the required hours within the normal time hour allowance, regardless of the estimated completion date on the enrollment agreement (contract). If the student fails to complete the required hours, their training will stop or an additional training fee will be charged. This fee will be charged for all hours that have elapsed beyond the normal time hour allowance until the student has completed the prescribed course. Once student has consumed the additional hours allowed within the contract time frame the student must then immediately make financial arrangements with the financial aid office to satisfy the debt incurred by excess

absence(s). Arrangements must be made to have these additional missed hours, paid for prior to the student clocking back in to school. This procedure will be followed each time the student is absent beyond the normal time possible hour allowance.

- Any lost time hours not made up prior to the student's normal time graduation date will not be subject to an overtime charge.
- Transfer students who require less than the prescribed course hours will be subject to the following formula to determine their hourly possible contract time frame. (hour required x 0.1) = hourly contract time frame.
- Overtime charges are as follows:
 - January 1, 2025:
 - Cosmetology 1000 Hour & Cosmetology 1000 Hour Distance Hybrid \$16.75 per hour
 - Barber 1000 Hour & Barber Distance 1000 Hour Hybrid \$16.75 per hour
 - Esthetics & Esthetics Distance Hybrid \$17.00 per hour

 - Barber 1000 Hour & Barber Distance 1000 Hour Hybrid \$16.75 per hour
 - Esthetics & Esthetics Distance Hybrid \$17.00 per hour
 - Manicuring \$11.00 per hour

Example: Cosmetology student completes 1000 hours in 1160 possible hours. The normal time allowance is 1100 hours. $\$16.75 \times 60$ extra needed hours = \$1,005.00 in overtime charges.

NSLDS DISCLOSURE

Please note that any loan borrowed by the student or parent will be submitted to the National Student Loan Database System (NSLDS), and will be accessible by guaranty agencies, lenders, and schools determined to be authorized users of the data system.

COMPLIANCE STATEMENT

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of their social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

FINANCIAL AID PHILOSOPHY

Federico Beauty Institute believes that the talents, hopes, and ambitions of all people are among our nation's most valued possessions. With this thought in mind, this school continues to promote scholarship, grant and loan opportunities for qualified, deserving students who must find funds to attend college. The fundamental purpose of this school's financial aid programs is, therefore, to make it possible for students, who would normally be deprived of a college education because of inadequate funds, to attend college. The following principles have been adopted for our financial aid program.

Principals:

1. This school will work with schools, community groups, and other educational institutions in support of the national goal of equality of educational opportunities.
2. The expected family contributions affect the student's cost of education. This school expects parents to contribute financially, according to their means, taking into account, their incomes, assets, number of dependents, and other relevant information. Students are also expected to contribute from their own earnings and assets, including borrowing against future earnings.
3. Financial aid will be offered after determining whether the family's resources are insufficient to meet the student's educational expenses. The amount of aid offered will not exceed the amount needed to meet the difference between the student's total educational expenses and the family's resources.
4. In awarding funds to eligible students, the amount and the type of self-help will be related to the circumstances of the individual and the largest amount of grant assistance will be offered to students with the least ability to pay.

STUDENT LOAN REPAYMENT RESPONSIBILITY

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs those students and/or parents must pay to obtain a specific Postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants, loans, or part time work. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

Basic Eligibility Criteria

Our basic eligibility requirements are that you must

- demonstrate financial need for need-based federal student aid programs;
- be a U.S. citizen or an eligible noncitizen;
- have a valid Social Security number (with the exception of students from the Republic of the Marshall Islands, Federated States of Micronesia, or the Republic of Palau);
- be enrolled or accepted for enrollment as a regular student in an eligible degree or certificate program;
- maintain satisfactory academic progress in college or career school;
- provide consent and approval to have your federal tax information transferred directly into your 2024–25 *Free Application for Federal Student Aid* (FAFSA®) form, if you're applying for aid for July 1, 2024, to June 30, 2025;
- sign the certification statement on the FAFSA form stating that you're not in default on a federal student loan, you do not owe money on a federal student grant, and you'll only use federal student aid for educational purposes; and
- show you're qualified to obtain a college or career school education.

You can show you're qualified to obtain a college or career school education by

- having a high school diploma or a state-recognized equivalent such as a General Educational Development (GED) certificate;
- completing a high school education in a homeschool setting approved under state law (or—if state law does not require a homeschooled student to obtain a completion credential—completing a high school education in a homeschool setting that qualifies as an exemption from compulsory attendance requirements under state law); or

THE U.S. DEPARTMENT OF EDUCATION STUDENT FINANCIAL AID PROGRAMS

The college is approved for, and does participate in the following programs intended to defray the costs of attending for those students eligible for financial aid considerations:

- Federal Pell Grant Program (Pell)
- Federal Supplemental Educational Opportunity Grant Program (FSEOG)
- Federal Stafford – SLS and PLUS loan (FEEL) (Direct Loans)

APPLICATION PROCEDURES AND FORMS

Financial aid applications for this institution consist of the following:

Student Questionnaire

- Free Application for Federal Student Aid (FAFSA). This form needs to be completed as Instructed on the form. Documentation to substantiate the data entered on the form may be required by the financial aid office.
- Enrollment contract.
- Statement of Educational purpose
- Statement regarding prior financial aid. No Defaulted Loans nor refunds due are outstanding
- Statement of Registration Compliance.
- Statement of Utilization of funds and disbursement procedures.
- Verification process if selected for verification. Includes documentation regarding income, assets, and status

Guaranteed Loans

- Federal Stafford/ SLS PLUS application
- Loan application
- Forms and assistance in completing them are available at this school during school hours.

Funds received from either of the programs are subjected to repayment from the student.

Before an application is submitted to the lender, students must be fully aware of the financial responsibilities under this loan programs, the rights that the student has under the individual loan program conditions and the consequences of a failure to meet the repayment obligations. Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide; and (2) federal direct loans are available to students regardless of income.

UNSUBSIDIZED FEDERAL STAFFORD LOANS

Expands the ability of lenders to make "unsubsidized" Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

1. Unsubsidized loans are not need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).
2. The Federal government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must either be paid or capitalized, i.e. added to the principal.
3. Student would pay a combined organization/ guarantee fee of 6.5% rebated directly to U.S. Department of Education. Students may receive both subsidized and unsubsidized loans provided the combined amount borrowed does not exceed applicable loan limits, and that the student's eligibility for a subsidized Federal Stafford loan can be determined prior to determining eligibility for the unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.

DEADLINES: Most lenders require applications to be submitted at least 30 days prior to the end of the loan period for which the Stafford/GSL has been requested. It is the student's responsibility to locate their own lender that participates in the Guaranteed Student Loan Program.

DISBURSEMENT: Lenders issue checks payable to the student only or co-payable to the school and student. It is the student's responsibility to submit all forms and documentation to the financial aid office in accordance with the deadlines applicable to each program from which aid is requested. It is the student's responsibility to comply with all obligations involved in the receipt of federal and/or state aid. For more information about these problems, including application procedures, eligibility, rights and obligations pertaining to each program including Loan consolidation consult the following sources:

The federal pamphlet Financial Aid Student Guide has information about Pell Grants, SEOG, Perkins, Stafford/ GSL.

For more information regarding the specific requirements of each financial aid program, please refer to the U.S.D.E. Student Guide, available at the financial aid office.

FEDERAL PELL GRANT PROGRAM

Funds received under this program are not subject to repayment from the student.

DEADLINE: FAFSAs must be received by July 1, of the award year from which is the application intended for, SAR or ESAR must be submitted to the financial aid office by June 30, of the award year from which aid is requested from, or your last day of enrollment, whichever comes first. A valid ESAR requires signatures of student, spouse and parents, if applicable.

RENEWAL PROCESS: A Pell Grant award received for one award year, (July 1 to June 30 of the following year) is **not** automatically renewed for the next award year. Students must re-apply for the Pell Grant and submit copy of the **new** SAR or ESAR to the financial aid office.

DISBURSEMENT: On the basis of per payment period via a check payable to the student via a direct credit to the student's tuition account.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG) Funds received under this program are not subject to repayment from the student.

DEADLINE: You may apply during the enrollment process, using the school's forms and procedures. Each school sets its own deadlines for receiving applications; however, since the government limits these funds, the school awards them on a first-come, first-served basis. The school will provide you a letter listing the amount and types of financial aid you will

get, including the SEOG award.

DISBURSEMENT: On the basis of per payment period via a check payable to the student or via a direct credit to the student's tuition account. Priority for SEOG funds will be given to those students with the lowest expected family contribution who will receive Pell Grants. Because of this institution's policy of year round enrollment, funds will be allocated on a first-come, first-served basis for those individuals meeting these criteria. Professional judgment may be used for certain exceptions based on extenuating circumstances with appropriate documentation. Please refer to FSEOG selection criteria.

For additional information on each of the Federal Financial Aid programs described above, review "The Student Guide" published by The United States Department of Education. The publication is available at this school and at public libraries.

DETERMINING NEED

The information you report when you apply for aid is used in a formula, established by Congress that calculates your Expected Family Contribution. Federico Beauty Institute utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

AWARD CONCEPT, SELECTION OF RECIPIENTS & PACKAGING CRITERIA

Schools frequently do not receive enough Campus-based funds to satisfy all the student financial needs. Therefore, the school emphasizes the **SELF -HELP CONCEPT** of student financial assistance.

The **SELF -HELP CONCEPT** is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. **ALL LOANS MUST BE REPAYED.**

The **SELF- HELP CONCEPT** lists types of financial assistance in the following order:

1. Family Contributions
2. Other resources
3. Pell Grant
4. Self Help (Stafford Loan, PLUS, SLS)

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance to the following policy:

The institutional participation in the Federal Supplemental Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. (July 1 to June 30). Due to the limited amount of funds available to the institution, it is impossible to award FSEOG to all students applying for aid. Therefore the institutional policy to select FSEOG recipients is as follows:

All Pell recipients will be disbursed equal amount of SEOG based on their program of study. These awards will be made as long as they are available throughout the year. In the event that excess funds remain at the end of the fiscal year, students with the lowest EFC will be considered for additional SEOG. If a student exhibits they have a need during the course of the year, additional funds may be granted to that particular student. If the funds are exhausted prior to the end of the year a review will be made of the amounts awarded to each student at the beginning of the next year to, hopefully, accommodate all students during the next year. If our enrollment increases, we will award a lesser amount in the initial packaging.

DEFINITIONS

The following terminology corresponds with common terms used within financial aid definitions:

ACADEMIC YEAR: 30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 15 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 30 weeks. regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: A 50 to 60 minute of supervised instruction during a 60 minute period.

WITHDRAWAL AND SETTLEMENT POLICY

Notice of Students Rights and Obligations

Student's right to cancel: A non-refundable administrative fee is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the administrative fee if the contract is cancelled within this timeframe.

The date by which you must cancel your contract and receive a refund of all monies paid designated for tuition less the administrative fee is referred to as "Cancellation Date" on pg. 1 of your Enrollment Agreement.

Withdrawal from course: You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund, less the administrative fee, insurance, STRF and locker deposit not to exceed \$100.00 if applicable, within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment in accordance with the *Equipment Policy*.

Settlement Policy: The refund shall be the total number of possible (scheduled) hours through the students last date of attendance multiplied by the hourly rate stated on the contract. Any non-refundable fees will be added to that total to determine the tuition owed by the student. The school will then add any outstanding balance charged to the student account. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the *Equipment Policy*, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. The school will then deduct any money paid by the student and any other financial aid or outside funding awarded to the student that is not required to be refunded per the return of title IV policy or specific refund policies for outside funding agencies. If the amount that you have paid is more than the amount that you owe for the time you attended and equipment, then a refund will be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is on the student's notification or school's determination.

Cancellation Procedure: Cancellation shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction within the BPPE cancellation period of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a FULL refund, less STRF and deposit not to exceed \$100.00.

If you cancel your enrollment agreement after the BPPE cancellation period, used beauty supplies and equipment may not returnable for sanitary reasons.

Refund Policy: The School has adopted a more lenient refund policy than required by BPPE & accrediting agency. After the cancellation period, the institution provides a prorated refund of nonfederal student financial aid program moneys paid for tuition charges. Equipment will be refunded in accordance with the *Equipment Policy*. Once received by the

student it will belong to the student and will represent a liability to the student. The Schools *Refund Policy* applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. The School maintains evidence that institutional refunds are issued to the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.
Termination by Institution (\$75.00 administrative fee will apply):
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing as determined by weekly attendance monitoring.
For CA Schools: If you are absent for 14 consecutive calendar days without communication, not on an approved LOA, you will be deemed a withdrawal, even if that was not the your intent.
The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts may be assigned to a collection agency. Collection costs will be added to any outstanding balance. Collection correspondence from third parties attempting to collect debits on The School's behalf will clearly acknowledge the withdrawal and settlement policy. Promissory notes or contracts for tuition are not sold or discounted to third parties.

Title IV Funds: (1) federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide; and (2) federal direct loans are available to students regardless of income.

Repayment: If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or government assistance until the loan is repaid.

Title IV Refunds: If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG. This order would apply in accordance to the aid programs available at the institution. If the R2T4 calculation results in a credit balance on the student's account it will be disbursed as soon as possible, but no later than 14 days after the R2T4 calculation.

Post-withdrawal disbursements for any Title IV funds that have been earned but not yet disbursed at the time of withdrawal will be disbursed as soon as possible, but no later than 45 days from the date of determination. Loans are available to students within 30 days of withdrawal & must be accepted or declined within 45 days. All post-withdrawal disbursements are applied to the student account first & any resulting credit balance will be applied in accordance with the Title IV Refund Policy.

Course Cancellation: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, The School shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at schools in the neighborhood. If a course is canceled after instruction has begun, The School shall at its option: 1. Provide a prorated refund for all students transferring to another school based on the hours accepted by the receiving school; or 2. Provide completion of the course; or 3. Participate in a teach-out agreement; or 4. Provide a full refund of all monies paid.

School Closure: If the school closes permanently and ceases to offer instruction after a student's enrollment and the course has begun, the school must make arrangements for students. The School has the option to: 1. Provide a pro-rata refund of tuition; or 2. Participate in a teach out agreement.

VERIFICATION PROCESS

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986, executing legislation 20 U.S.C. 1094 governing the title IV programs require schools to be sure of certain applicant-reported data.

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Advisement process. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse Pell or Campus-Based aid, nor certify Stafford/GSL application, until completion of verification.

WHO MUST BE VERIFIED?

The policy of this school shall be to verify those students selected by the need analysis (SAR or ESAR) system for verification. In the absence of conflicting documentation, applicants excluded from verification include:

- Legal Residents of the Trust Territory of the Pacific Islands, Guam, Samoa, and the Marianna islands. This includes dependent students whose parents are also legal residents of one of these islands.
- Dependent students whose parents are residing in a country other than the United States. This applies to other than the United States and only if the student cannot contact the parents by normal means.
- Dependent students whose parents are dead or are physically or mentally ill, or whose parents address is unknown.
- Immigrants who arrived in the United States during either the calendar year or Award Year.
- Those submitted for an Award Year if the applicant dies during the Award Year.
- Those submitted for an Award Year if the applicant is imprisoned at the time of verification.
- Those submitted when the applicant does not receive financial assistance for reasons other than their failure to confirm information on the application.
- Other exclusions, on a documented individual case basis, at the discretion of the financial aid officer. An applicant need not document spouse information or provide a spouse's signature if:
 - a. The spouse is residing in another country and the student cannot contact the spouse by normal means of communication.
 - b. The student cannot locate the spouse because their address is unknown.
 - c. The spouse is dead, or mentally or physically ill.

VERIFICATION ITEMS:

Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

- Adjusted gross income (AGI) for the base year.
- U.S. income tax paid for the base year.
- Total number of family member in the household, if that number is greater than two dependent students and one for independent students.
- The number of family members in the household now enrolled as at least half-time students in Postsecondary educational institutions.
- The factors relating to an applicant's independent student status.
- Untaxed income and benefits for the base year including:
 - ✓ Social Security benefits
 - ✓ Child Support, if the student has information regarding child support or has reason to believe the student received support.
 - ✓ Income tax deduction for a payment made to an Individual Retirement Account or Keogh account.
- The following other untaxed income and benefits:
 - ✓ Untaxed dividends and capital gains.
 - ✓ Foreign income omission, if the school has information regarding the omission or has reason to believe the student omitted foreign income.
 - ✓ Earned income credit.

The school shall resolve inconsistent application information for all applicants, in agreement with federal regulations.

DOCUMENTATION REQUIRED:

To confirm adjusted gross income (AGI), and income tax paid, applicants shall provide the appropriate income tax returns (IRS 1040 or tax transcripts) of the applicant, his/her spouse, and/or his/her parents. The student must provide a signed copy of the income tax return. In certain specified cases, the student must provide the IRS Form W-2. For non-tax filers, the school's financial aid officer must provide appropriate forms to update and certify items for the Pell Grant, Campus-based, and Stafford/GSL programs:

- Number of family members in the household;
- Number of family members in the household now enrolled as at least half-time students in Postsecondary educational institutions. Independent student status.
- Applicants shall complete the appropriate sections of the Verification Worksheet for the corresponding award year for the SAR/ISIR. There are five (5) different worksheets: One for dependent students and one for independent students. Use the worksheets for update and verification data. Follow instructions in the verification worksheet. The school's financial aid officer may require/ provide other appropriate forms.

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the admissions or financial aid officer the IRS tax transcripts during the admissions and advisement process and provide all required documentation no later than two weeks from the enrollment date. If the student makes corrections to Part 2 of the Pell SAR, they must complete and process them within two weeks from the enrollment date, or the date the school receives the SAR, whichever occurs first. The school must allow no more than 30 days for its receipt.

APPLICANT'S RESPONSIBILITIES:

To be eligible to receive Title IV funds, applicants are required to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following items are correct as listed on the original application: or, if not correct, they must update the data items, as of the date of verification:

- Number of family members in the household.
- Number of family members in the household now enrolled as at least half-time students on Postsecondary educational institutions.
- Change in dependency status. Pell Grant applicants whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. Campus-based applicants whose dependency status changes during the Award Year must have their EFC recalculated. This process does not apply if the change occurs due to marriage.
 - The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME PERIOD(S):

If the student cannot provide all required documentation, the school cannot complete the verification process within two weeks from the date of enrollment. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis.
- The student may withdraw and re-enroll. There will be no loss of credit earned, when the student provides all proof, and verification is complete.
- The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification.

INTERIM DISBURSEMENTS:

The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES:

For the Pell SAR, with an original EFC/SAI of zero, the school shall use the zero EFC/SAI Charts to determine whether the applicant must resubmit their SAR because of a change in information. The student must make appropriate corrections on Part 2 of the SAR. A new EFC/SAI is computed when required as a result of comments on the SAR, and/or as a result of data item changes. This occurs regardless of the absolute error amount.

For the Campus-based and Stafford programs, the school shall recalculate an applicant's EFC/SAI if:

- There are any errors in non-dollar items used to calculate the EFC/SAI, and/or;
- There is an absolute dollar error

NOTIFICATION OF RESULTS OF VERIFICATION:

The school shall notify the applicant of additional information or documentation needed for verification. This occurs through contact with the financial aid officer or by mailing to the applicant's resident address a Verification Follow Up form. This form indicates additional items needed.

The school shall notify the applicant of any change in the originally computed Pell Grant award. The student shall sign and date the SAR certified for payment. The school shall notify the student if, during the process of verification, the school decides that the student's Stafford exceed the financial need. The school shall notify the applicant when they complete verification by:

- Obtaining the student's signature and date on the SAR certified for payment.
- Providing the student a receipt for any Campus-based funds credited to their tuition account.
- Obtaining the student's endorsement on the Stafford check and completing the required documentation of its receipt and application. However this institution does not participate in the Federal loan program.

REFERRAL PROCEDURE:

The school shall forward to the Secretary of Education, the name, social security number, and other information, on any applicant receiving funds. The school reports on possibly incorrect information after they make a reasonable effort to resolve the discrepancy. The school shall forward notification to the student's lender when the student has received \$200 or more in Stafford funds over their financial need. The school must forward the notification within 30 days after determination that the borrower is ineligible for the excess funds. Upon implementation of the regulation, the school shall refer to appropriate authorities the name, social security number, and other information about the applicant to satisfy federal regulations.

VERIFICATION PROCEDURES FOR FAFSA AND CADAA

VERIFICATION PROCESS

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986, executing legislation 20 U.S.C. 1094 governing the title IV programs require schools to be sure of certain applicant-reported data.

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Advisement process. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse Pell or Campus-Based aid, nor certify Stafford/GSL application, until completion of verification.

WHO MUST BE VERIFIED?

The policy of this school shall be to verify those students selected by the need analysis (SAR or ESAR) system for verification. In the absence of conflicting documentation, applicants excluded from verification include:

- Legal Residents of the Trust Territory of the Pacific Islands, Guam, Samoa, and the Marianna islands. This includes

dependent students whose parents are also legal residents of one of these islands.

- Dependent students whose parents are residing in a country other than the United States. This applies to other than the United States and only if the student cannot contact the parents by normal means.
- Dependent students whose parents are dead or are physically or mentally ill, or whose parents address is unknown.
- Immigrants who arrived in the United States during either the calendar year or Award Year.
- Those submitted for an Award Year if the applicant dies during the Award Year.
- Those submitted for an Award Year if the applicant is imprisoned at the time of verification.
- Those submitted when the applicant does not receive financial assistance for reasons other than their failure to confirm information on the application.
- Other exclusions, on a documented individual case basis, at the discretion of the financial aid officer. An applicant need not document spouse information or provide a spouse's signature if:
 - d. The spouse is residing in another country and the student cannot contact the spouse by normal means of communication.
 - e. The student cannot locate the spouse because their address is unknown.
 - f. The spouse is dead, or mentally or physically ill.

VERIFICATION ITEMS:

Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

- Adjusted gross income (AGI) for the base year.
- U.S. income tax paid for the base year.
- Total number of family member in the household, if that number is greater than two dependent students and one for independent students.
- The number of family members in the household now enrolled as at least half-time students in Postsecondary educational institutions.
- The factors relating to an applicant's independent student status.
- Untaxed income and benefits for the base year including:
 - ✓ Social Security benefits
 - ✓ Child Support, if the student has information regarding child support or has reason to believe the student received support.
 - ✓ Income tax deduction for a payment made to an Individual Retirement Account or Keogh account.
- The following other untaxed income and benefits:
 - ✓ Untaxed dividends and capital gains.
 - ✓ Foreign income omission, if the school has information regarding the omission or has reason to believe the student omitted foreign income.
 - ✓ Earned income credit.

The school shall resolve inconsistent application information for all applicants, in agreement with federal regulations.

DOCUMENTATION REQUIRED:

To confirm adjusted gross income (AGI), and income tax paid, applicants shall provide the appropriate income tax returns (IRS 1040 or tax transcripts) of the applicant, his/her spouse, and/or his/her parents. The student must provide a signed copy of the income tax return. In certain specified cases, the student must provide the IRS Form W-2. For non-tax filers, the school's financial aid officer must provide appropriate forms to update and certify items for the Pell Grant, Campus-based, and Stafford/GSL programs:

- Number of family members in the household;
- Number of family members in the household now enrolled as at least half-time students in Postsecondary educational institutions. Independent student status.
- Applicants shall complete the appropriate sections of the Verification Worksheet for the corresponding award year for the SAR/ISIR. There are five (5) different worksheets: One for dependent students and one for independent students. Use the worksheets for update and verification data. Follow instructions in the verification worksheet. The school's financial aid officer may require/ provide other appropriate forms.

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the admissions or financial aid officer the IRS tax transcripts during the admissions and advisement process and provide all required documentation no later than two weeks from the enrollment date. If the student makes corrections to Part 2 of the Pell SAR, they must complete and process them within two weeks from the

enrollment date, or the date the school receives the SAR, whichever occurs first. The school must allow no more than 30 days for its receipt.

APPLICANT'S RESPONSIBILITIES:

To be eligible to receive Title IV funds, applicants are required to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following items are correct as listed on the original application: or, if not correct, they must update the data items, as of the date of verification:

- Number of family members in the household.
- Number of family members in the household now enrolled as at least half-time students on Postsecondary educational institutions.
- Change in dependency status. Pell Grant applicants whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. Campus-based applicants whose dependency status changes during the Award Year must have their EFC recalculated. This process does not apply if the change occurs due to marriage.
 - The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME PERIOD(S):

If the student cannot provide all required documentation, the school cannot complete the verification process within two weeks from the date of enrollment. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis.
- The student may withdraw and re-enroll. There will be no loss of credit earned, when the student provides all proof, and verification is complete.
- The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification.

INTERIM DISBURSEMENTS:

The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES:

For the Pell SAR, with an original EFC/SAI of zero, the school shall use the zero EFC/SAI Charts to determine whether the applicant must resubmit their SAR because of a change in information. The student must make appropriate corrections on Part 2 of the SAR. A new EFC/SAI is computed when required as a result of comments on the SAR, and/or as a result of data item changes. This occurs regardless of the absolute error amount.

For the Campus-based and Stafford programs, the school shall recalculate an applicant's EFC/SAI if:

- There are any errors in non-dollar items used to calculate the EFC/SAI, and/or;
- There is an absolute dollar error

NOTIFICATION OF RESULTS OF VERIFICATION:

The school shall notify the applicant of additional information or documentation needed for verification. This occurs through contact with the financial aid officer or by mailing to the applicant's resident address a Verification Follow Up form. This form indicates additional items needed.

The school shall notify the applicant of any change in the originally computed Pell Grant award. The student shall sign and date the SAR certified for payment. The school shall notify the student if, during the process of verification, the school decides that the student's Stafford exceed the financial need. The school shall notify the applicant when they complete verification by:

- Obtaining the student's signature and date on the SAR certified for payment.
- Providing the student a receipt for any Campus-based funds credited to their tuition account.
- Obtaining the student's endorsement on the Stafford check and completing the required documentation of its receipt and application. However this institution does not participate in the Federal loan program.

REFERRAL PROCEDURE:

The school shall forward to the Secretary of Education, the name, social security number, and other information, on any applicant receiving funds. The school reports on possibly incorrect information after they make a reasonable effort to resolve the discrepancy. The school shall forward notification to the student's lender when the student has

received \$200 or more in Stafford funds over their financial need. The school must forward the notification within 30 days after determination that the borrower is ineligible for the excess funds. Upon implementation of the regulation, the school shall refer to appropriate authorities the name, social security number, and other information about the applicant to satisfy federal regulations.

SATISFACTORY ACADEMIC PROGRESS

See "Satisfactory Academic Progress (SAP) Policy"

COURSE INCOMPLETE

Course incomplete, repetitions and non-credit remedial courses are not applicable to this institution's form of instruction and therefore have no effect upon SAP standards.

RESIDENCY VERIFICATION

California Residency can be verified by FAFSA and/or documentation provided by the student.

INTEREST REMITTANCE

Federico Beauty Institute shall calculate interest on Cal Grant funds in the same manner used by its financial institution. If a negative balance exists as a result of paying recipients in excess of the Cal Grant funds available for disbursement, Federico Beauty Institute will not adjust or otherwise offset its expenses against interest on Cal Grant Funds. No bank fees, unearned interest on institutional funds, or other costs shall be deducted or offset against the interest earned by the advance of state funds for the Cal Grant program.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

INDUSTRY DEMAND & REQUIREMENTS

Licensing Requirements

Applicants for the state board of California must be at least 17 years of age and have completed the 10th grade. The State of California only grants a license after the student has successfully completed and graduated from the prescribed course as described above and passed the California State Board of Barbering and Cosmetology Exam with an overall average of 75% or higher.

Health & Safety

Many harsh chemicals, hot tools and sharp instruments are used in the beauty & barber industry. Some of these chemicals may cause skin irritations and or allergies. Improper Use of tools can cause severe wrist injuries, such as cramping of the hands or carpal tunnel syndrome. Proper shoe support and good posture is essential in Cosmetology. Without proper support and good posture severe lower back pain may occur. All of the same injuries can occur to Estheticians, Manicurists and Barbers.

Physical Requirements of the Industry

Physical ability plays an important role in all fields of Cosmetology, Barber, and Esthetics in how many hours an individual may work. Beauty industry professionals must have endurance to remain standing for long periods of time, with the ability to work with their hands raised. Cosmetologists & barbers spend about 80% of their time standing, 5% sitting, 5% stooping and 10% bending. The majority of that time their hands are usually raised at shoulder height or just below their shoulders. Estheticians spend 70% of their time sitting, 15% standing, 5% stooping, and 10% bending. The majority of the time their hands are working below the shoulder. For manicurists, their day consists of 70% sitting, 2% standing, 2% stooping, and 26% bending. Their hands are usually kept below shoulder height.

Student Cosmetologists & Barbers spend 30% sitting, 30% standing, 30% bending and 10% stooping.

Student Estheticians spend 50% sitting, 30% standing, 5% stooping and 15% bending.

Student Manicurists spend 70% sitting, 2% standing, 2% stooping, and 26% bending.

Students should be able to meet the physical demands of the education.

(1) Estimates for detailed occupations do not sum to the totals because the totals include occupations not shown separately. Estimates do not include self-employed workers.

(2) Annual wages have been calculated by multiplying the hourly mean wage by a "year-round, full-time" hours figure of 2,080 hours; for those occupations where there is not an hourly wage published, the annual wage has been directly calculated from the reported survey data.

(3) The relative standard error (RSE) is a measure of the reliability of a survey statistic. The smaller the relative standard error, the more precise the estimate.

(4) Wages for some occupations that do not generally work year-round, full time, are reported either as hourly wages or annual salaries depending on how they are typically paid.

(5) This wage is equal to or greater than \$100.00 per hour or \$208,000 per year.

(8) Estimates not released.

(9) The location quotient is the ratio of the area concentration of occupational employment to the national average concentration. A location quotient greater than one indicates the occupation has a higher share of employment than average, and a location quotient less than one indicates the occupation is less prevalent in the area than average.
